CONFERENCE WORKSHOPS (please choose **three workshops from each** of the workshop breakouts and **rank these from 1 to 3** on your registration form)

This year we have included two 'Extended Breakouts'. These breakouts will run over two breakout sessions. If you are attending an extended breakout for example one from AB, then you will not be able to attend any breakouts in Workshop Breakout A or Workshop Breakout B.

Workshop numbers will be limited to enhance the learning experience for all participants. Please choose three workshops from each of the workshop breakouts (A, B, C & D). Rank these 1 to 3 on your registration form, with number 1 being your first choice etc. Although we will endeavour to place you in your number 1 choice for all workshop breakouts it is best to register early as spaces will be in high demand.
